

Every organizational strategy comes with risk – let RiskTrek guide the way.

Your Trusted Partner in Risk Management

Flexible Solutions for Your Needs

Working with RiskTrek

RiskTrek offers tailored service arrangements to fit your organization's needs, including project-based work, hourly consultations, or fixed monthly retainers for ongoing support. These flexible options ensure you get expert guidance when and how you need it, whether for a single project or a long-term partnership.

Navigating Risks with Expertise

About RiskTrek

Founded by Gerry Zack, RiskTrek LLC offers unmatched global expertise in risk management, compliance, and ethics. With decades of experience across 25 countries, Gerry combines deep technical knowledge and experience in compliance & ethics, audit, ERM, and fraud risk management with a global network of experts to deliver practical solutions tailored to your organization's needs.

Some highlights from Gerry's experience include:

- Seven years as CEO of Society of Corporate Compliance and Ethics
- Previous Chair of the Board of Regents and 12 years on the expert faculty of Association of Certified Fraud Examiners
- 20+ years providing compliance, fraud prevention and investigation, ERM, and audit services to a diverse client base

Whether it's compliance, fraud, auditing, or ERM, RiskTrek is your trusted guide through today's complex risk landscape.
